So when you order a print from us, you can rest assured that you are getting the best you can get anywhere in the world. When can I get it? The mosaic creation is instantaneous. It's automatically created as soon as you upload the pictures. If you order a print, the production times vary depending on the media you choose, and the time of the year. You should try to order sooner rather than waiting until the last minute, especially during busy times like Mother's Day and Christmas. If you know what you want, go to Pricing page and below the media you want, click the link (when will it arrive) and select your country, and it will give you an ETA window. This ETA window is very wide due to possible delays occurring from your mosaic not meeting our quality standards. This is part of our satisfaction guarantee, and an added benefit of ordering a print directly from us. If you buy a download, it is available immediately upon purchase. And you can take it to your local print shop right away. 100% Money Back Satisfaction Guarantee If you're not happy with your purchase, we'll issue you a full refund. What makes a gift special?
